

2022 First Ever Foundation Badminton Scholarship Application

First Ever Foundation is excited to announce the opening of our Badminton Scholarship applications for 2022. The Badminton Scholarship is focused on providing resources for student-athletes who are pursuing badminton at the professional and Olympic level while also being a full-time college student. Applications are open to any 2022 US high school graduating senior or any current full-time college student from a 4-year, US accredited college/university. This year's scholarship will support 1 male and 1 female applicant and each awarded recipient will receive a one-time, \$2,500 Badminton Scholarship.

Recipients are required to maintain a 3.0 GPA, compete in the US Nationals and a minimum of 3 international tournaments per year, submit a bi-annual report and provide receipts for all their expenses. This scholarship can be used towards Badminton related expenses such as tournament expenses, tournament travel, training fees, sports psychology, and any other approved expenses. All applications will be reviewed by the Board of Directors and the chosen recipients for the Badminton Scholarship will be awarded.
